Tastes of the World
Menu 2011/12

Thank you for contacting Tastes of the World catering. Our food ordering service makes entertaining a pleasure, so that you are fresh and ready to welcome your guests, relax and spend time with them.

We are dedicated to giving each order the special attention that it demands to ensure that your event is exceptional in every way. Our outstanding reputation has been built on recommendation from satisfied customers.

Each order is individually prepared to your specific requests and made from top quality ingredients. Our flexible service means that you can order one dish or an entire menu which we can deliver and leave the serving to you, or we can be there during your event with professional serving staff so that you do not have to lift a finger.

We are also able to provide any equipment that you may need such as: chairs, tables, tablecloths, serving plates, glasses, plates, cutlery, hot plates, water urns etc.

Our menu brings together flavors and cooking techniques from around the world. Once you have had a look at the menus and have an idea of the type of dishes that you are interested in, together we can create a menu adapted to your individual needs and budget which includes a balanced selection of colors, textures and flavors. Pictures of many of the dishes are available on request.

It is best to confirm your order well in advance so that you will not be disappointed to find that that date has already been taken.

I look forward to hearing from you.

Best regards
